# MONDAY NIGHT SCIENCE

**FIRST EVENT: OCT. 27TH | 5:30 – 7:30 P.M.  
AT NATIONAL YOUTH SCIENCE ACADEMY  
494 RIVERSTONE RD. DAVIS, WV**

Join us for the third year of our interactive, hands-on family program that builds students' and adults' skills in Science, Technology, Engineering, Arts, and Math (STEAM). The program is designed specifically for school-aged children and their families. Monday Night Science events will be held through September 2026. See more dates below and email [nathan.sams@nysacademy.org](mailto:nathan.sams@nysacademy.org) for more info.

## TOPICS

Topics will be directed by interests of participants and include robotics, drones, games, local farming and agriculture, energy and natural resources, exploring local streams and rivers, studying the skies/astronomy, local nature, weather, and so much more!

## INCLUDES

This program is totally free and includes locally-sourced meals, transportation and/or travel reimbursements, free science kits, supplies for activities at home, field trips to some amazing local places, bonus time in our MakerSpace beginning at 3:30 PM, and more!
