BRITE CHALLENGE
MAY 7, 2027

Bringing Rural Imagination to Technology and Entrepreneurship

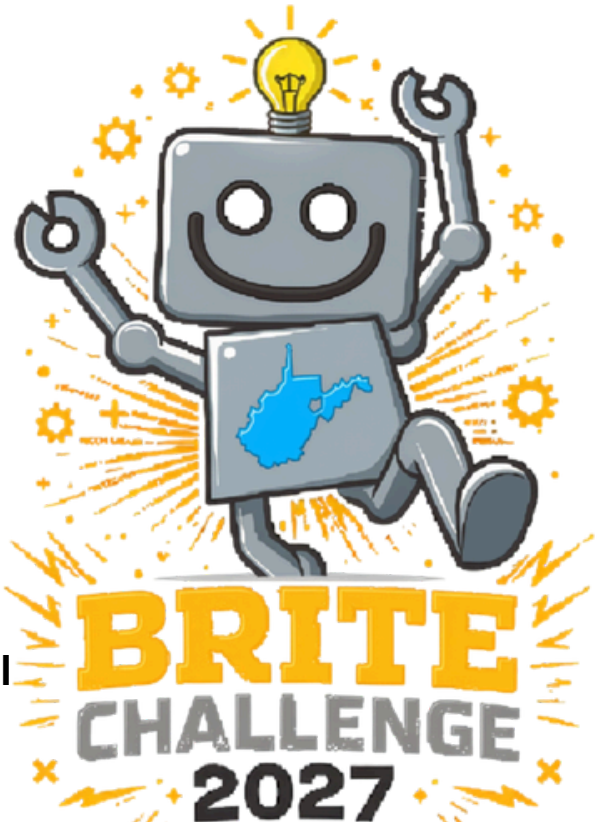

Who: 5th-12th Grade Students and Educators

What: A day full of food, fun, free t-shirts, presentations, and PRIZES!

When: May 7th, 2027; 9:00 AM - 2:30 PM

Where: The National Youth Science Academy
494 Riverstone Rd, Davis, WV 26260

Why: To Challenge the Next Generation of STEAM Leaders to Come up with Creative Solutions to Local Real-World Problems!

Students will create a business idea, invention, or other fascinating project using STEAM innovation, technology, and creativity to address a local issue or problem with rural innovation.
